done,
if he was
even a
little like
Otonari
...

I went
after that
boy next
door who
just
happened
to see my
foolish-
ness that
day ...

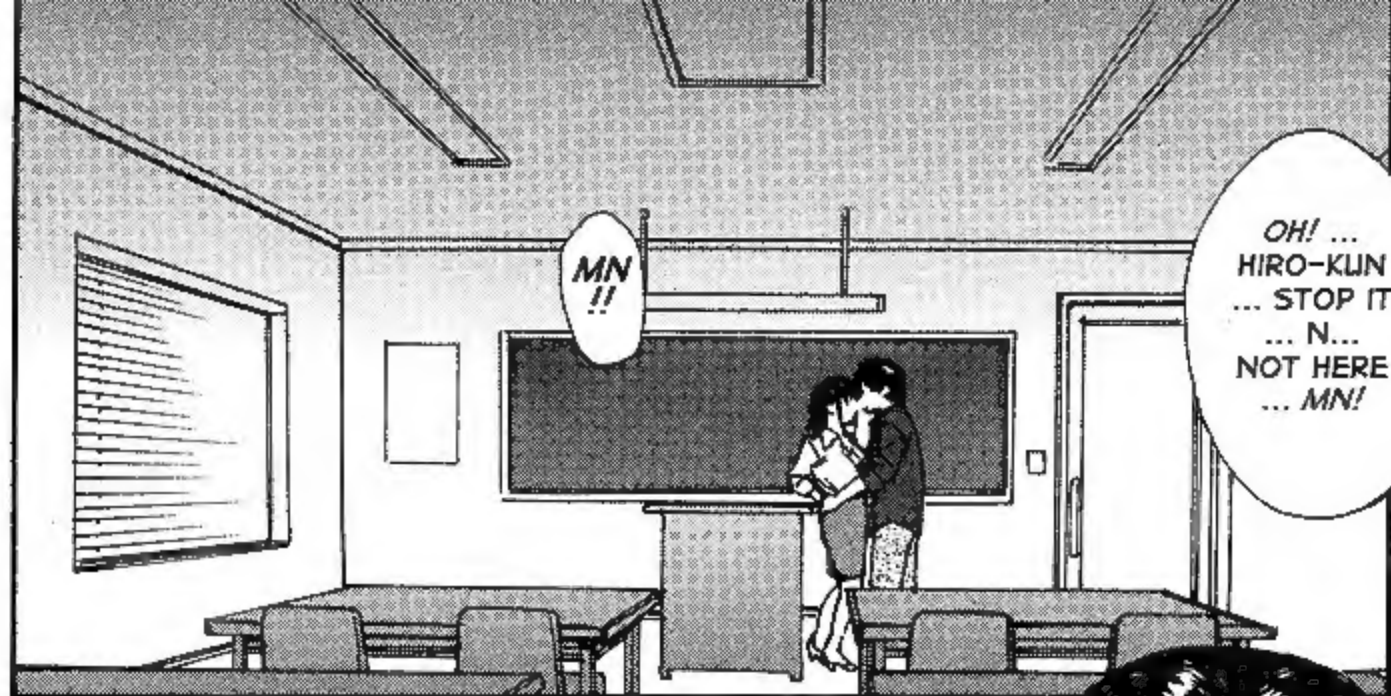

At that
moment
the
young
boy's
love
was
exting-
uished.

Since then
we've never
gone that
far,
but we've
nurtured a
warped
relationship
...

AAH!
